Why Join Our Council?

If you're interested in helping those in need, then the Knights of Columbus Amador County Council is the organization for you.

Becoming a Knight of Columbus can transform your life. As a Knight, you have the opportunity to support your parish, give back to your community, and grow in your faith. You also have the option to gain exclusive access to our top-rated insurance program in order to protect your family.

These are just some of the reasons to become a Knight. We are a band of brothers, a network of men in communities around the world dedicated to doing good works in the service of God and our neighborhood. Currently there are more than 14,000 councils and over 1.8 million members throughout the United States and thirteen other countries.

Charity is the first principle of the Knights of Columbus. Knights are men who get things done. By volunteering our time, we have achieved amazing success. Working together, we were able to donate more than 1.4 billion dollars and 664 million volunteer hours to worthy causes in the past decade.

Unity and Fraternity are the second and third principles of the Knights of Columbus. The Knights of Columbus was founded so that men could work together to serve their parishes and communities, protect the well being of their Catholic families, and support each other in faith, including our daily journeys through life.

The Knights of Columbus is not just a fraternity in name. It is a brotherhood of Catholic men who each play a part in improving the world around them, one community at a time. They stand together, dedicated to uphold the principles they cherish while lending their support and strength to parish, home, and fellow Knights.
